The Once-Only Principle Project

TOOP – Governance and sustainability

Prof. Dr. Andriana Prentza / Carsten Schmidt
TOOP GOVERNANCE AND SUSTAINABILITY
Sustainability preparatory activities

- The activities focus on and bundle the non-technical aspects of the adoption of TOOP.
  - Identification of the drivers and barriers for the cross-border implementation of the once-only principle.
  - Documentation of the impacts of the implementation of the once-only principle.
Sustainability activities

• Analysis and definition of the project artefacts that need to be maintained and sustained (e.g. methodologies, data models, specifications, software components etc.).

• Definition of sustainability plans for the project results.

• Policy recommendations for the long-term governance and sustainability.
Sustainability methodology

• What are the dimensions of sustainability to be considered?
  – Governance and community sustainability
  – Organisational sustainability
  – Financial sustainability
  – Architectural sustainability

• What are the artefacts and pilots that we want to sustain?
  – Assessment of maturity level of the artefacts

• What are the business cases for those artefacts and pilots?
  – Recommendations to the future owners
  – Development plan (how to develop it further)
  – Business issues around the pilots
  – How to ensure adoption including legal issues
  – Specific plans for the pilots

This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No 737460
Sustainability Plans

• Sustainability plans
  – TOOP Connector
  – SDG Pilots
  – eProcurement Pilot
  – Maritime Pilot
  – Other technical artefacts

• TOOP: Non-MS Perspective (based on CH & TR)
Governance

• Insurance of organisational sustainability
  – Facilitate and promote international cooperation of public and private stakeholders
  – Advance and enhance the once-only principle
  – Support other underlying principles for eGovernance and interoperability solutions

• Licensing and handover to the EC

• Handover to the non-profit organisation ONCE-ONLY.ORG AISBL (organisation under Belgium law)
Questions & Answers
